## 3W L.E.D LIGHT BAR MERCHANTISER

**Be a leader in the lighting game with the latest technology from Narva**

The new range of 3W L.E.D Light Bars are compact, robust and deliver an impressive volume of light with a low current draw, making them perfect for 4WD, RV and recreational applications. Also available in white marine versions, featuring marine grade 316 stainless steel and a fully sealed enclosure, these lights are designed to withstand the tough marine environment.

Make the most of your retail space and maximise sales with the 3W L.E.D Light Bar Merchandiser.

- Compact – fits on a counter or shelf
- Displays all three sizes in the 3W range
- Easy to assemble
- Clearly lists product information & specs
